

WASHINGTON COASTAL HAZARDS RESILIENCE NETWORK

CHRN 2026 ANNUAL MEETING

Be part of a dynamic day bringing together coastal decision-makers, planners, resource managers, researchers, and practitioners to share ideas, build partnerships, and advance coastal resilience efforts across Washington's coastlines.

Meeting Goals & Objectives

1. **Leveraging the Network:** Participants will strengthen existing relationships and build new connections with CHRN Members to enhance collaboration on coastal resilience efforts.
2. **Knowledge-Sharing:** Participants will deepen an understanding of the "state of the coast" and how to apply those skills, lessons and resources in their practice.
3. **Advancing Efforts:** Participants will work together to align ongoing efforts, identify and break down implementation hurdles, and address challenges to advancing coordinated coastal resilience actions statewide.
