(Coastal Engineer, ECY)

Top Right: Gabby
Alampay (Coastal
Geoscientist, ECY)

Bottom left: James
Dietrich (Natural
Resources Scientist 3,
ECY)

Presenters: James Dietrich,
Gabby Alampay, and Sam
Giannakos

Topic: WA Department of
Ecology - Applied Coastal
Research & Engineering

Date: Thur, Sep 25th, 2025

Time: 11 - 11:55 AM (PCT)

CHRN Lunch & Learn events are opportunities for practitioners in the coastal resilience space to share a bit about their work, connect with other CHRN members, receive input from the group, and develop collaborative partnerships. During this event, James Dietrich, Gabby Alampay, and Sam Giannakos will share information about Ecology's ACRE section, and the services they provide through the Coastal Monitoring & Analysis Program (CMAP), the Shoreline Mapping Unit, and the Coastal Engineering Team.
