

## DRAFT Washington Coastal Hazards Resilience Network Annual Meeting – 2024

[www.wacoastalnetwork.com](http://www.wacoastalnetwork.com)

May 21<sup>th</sup>, 2024

9:00 am – 4:30 pm

(off-site happy hour to follow at 23 Kitchens)

In person at WA Department of Ecology Headquarters  
300 Desmond Dr SE, Lacey, WA 98503  
Conference Room R0A – 32/34/36 (Downstairs Auditorium)

### Meeting Mission Statement:

Empowering coastal communities through collaborative knowledge exchange to address coastal hazards and foster climate resiliency.

*Join coastal decision-makers, planners, resource managers, researchers, and other practitioners for a day of knowledge sharing and partnership-building around the exciting and important work that is currently happening in Washington's coastal resilience space. While this event is targeted towards coastal hazards and climate resiliency practitioners from local, state, and federal government agencies, tribes, academic institutions, consulting firms, and nonprofit organizations, anyone is welcomed to join.*
